

CHANGES TO YOUR PRIMARY SHARE ACCOUNT

We have good news - Effective June 1, 2019, we are reducing the minimum balance requirement on Primary Share Accounts to \$5.00. As a current member, you may see an increase to the available balance on your Primary Share Account. You do not need to take any action for this change to take effect.

We decided to make this change as part of our continual effort to improve our product and service offerings and to make membership more accessible for all.

MEMBERSHIP BENEFITS

The Primary Share Account represents your ownership, or “share”, in Vermont Federal. It gives you access to all the great products and services available at the Credit Union, and offers you a voice in how the Credit Union is run, including voting for your Board of Directors at our Annual Meeting. We want the basis of your membership to give you more, and that’s why we’re excited to make these improvements to the Credit Union’s Primary Share Account.

Should you have any questions about this change, contact our Member Call Center at (888) 252-0202.
