

ONLINE BANKING

Logging into online banking for the first time

The first time you log into Online Banking, you will need a phone, your member number and the four digits provided to you by a Vermont Federal Credit Union employee at account opening. With this information available, follow the steps below to setup your Online Banking:

Step 1: Visit www.vermontfederal.org and enter your member number as your username and the four digits provided to you by a Vermont Federal Credit Union employee at the account opening as your temporary password.

Username: Member Number

Password: Four digits provided by a Vermont Federal Credit Union employee.

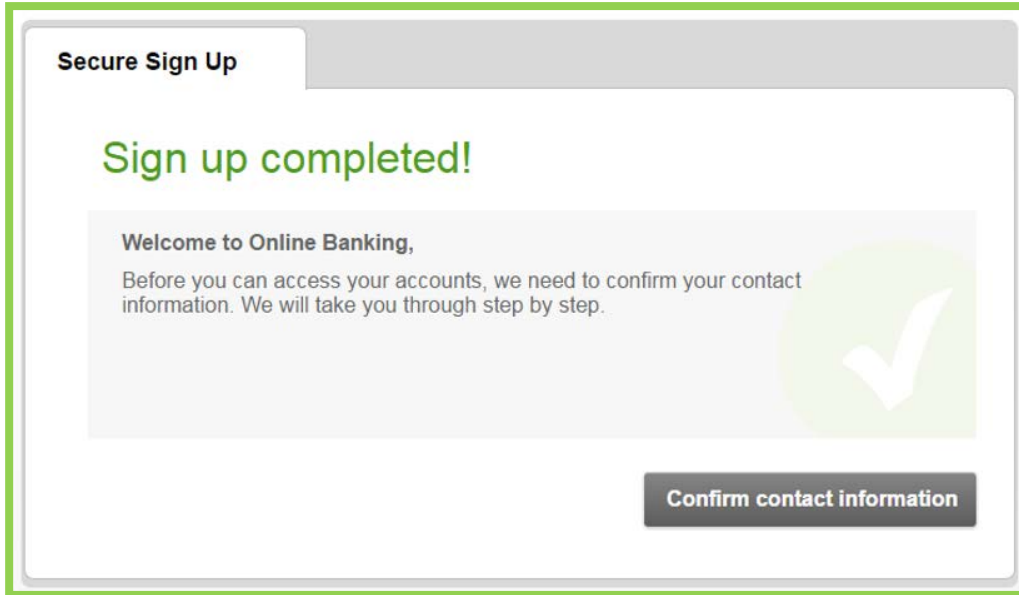

If you do not have this initial information, or would like to set-up shared access please call our Call Center, (888)-252-0202, option 3 or visit a branch for assistance.

Step 2: The screen below will pop-up asking for you to change your username and password. Now you can create a custom username and password. Then, complete the personal and contact information.

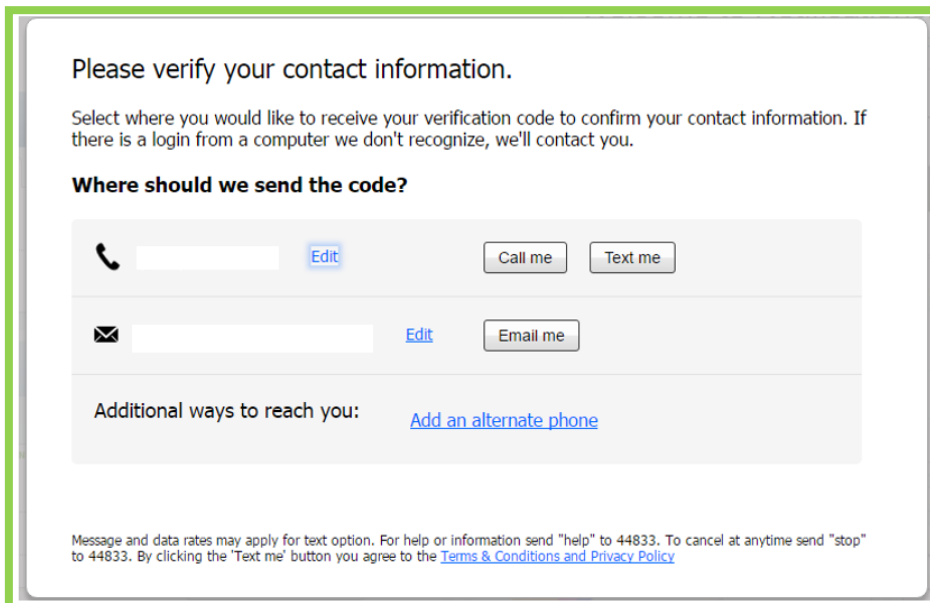

Username: Create Username
Password: Create Password
Password: Verify Password

First Name
Last Name
Date of Birth
Mother's Maiden Name
SSN: XXX-XX-XXXX

Step 3: Once you have read the Terms and Conditions, check off the box and click **“Complete Sign up”**. A pop-up will appear with the next steps to confirm contact information.

Step 4: Choose the method you would like to receive the verification code from. You can either receive a call, text or email with an activation code. If you would like to add an alternate phone number click **Add an alternate phone** below.

Step 5: Enter the activation code you receive by call, text or email. Click **Yes**, register my private computer or **No, this is a public computer**. If you register the computer, you will not be asked to go through a verification process in the future. If you do not register your computer, it will prompt you to go through the verification process next time you try to log in on that computer.

Please verify your contact information.

 **Within a minute, you'll receive a verification code at**
Once you receive the code just type it in.

[Didn't get the code?](#)

 **Save time by registering your computer.**
If this is your personal computer, register it now. We won't need to contact you the next time you log in.

Yes, register my private computer.

No, this is a public computer.
