CREDIT UNION OF VERMONT
A DIVISION OF VERMONT FEDERAL CREDIT UNION

Dear Member,

If you currently have a real estate secured loan that is serviced by Credit Union of Vermont, please be advised that effective 1/1/2026, the ownership of your mortgage loan has been transferred to Vermont Federal Credit Union.

The transfer of ownership does not change the terms or conditions of your loan. Your loan will continue to be serviced, and payments can still be made at 2 South Main Street, Rutland VT. Later in 2026, we will send an official notice to update the enhanced options you will have to manage your loan and make payments.

If you have any questions, please contact Credit Union of Vermont, a division of Vermont Federal Credit Union at 802-773-0027

Sincerely,

Jean Giard
